July 9, 2014

Subject: List of eligible candidates for first round of MBBS counseling for 7 AIIMS OBC, SC, and ST category candidates to be held on July 10-11, 2014.

The counseling for Unreserved (UR) seats in the first round of counseling for 7 AIIMS – MBBS course for admission held on July 8-9, 2014 was over at the rank no.760.

Due to the absentees from OBC, SC and ST category UR counseling up to rank no.760 and some other reasons the list of eligible candidates for counseling of OBC, SC and ST category stands revised.

The revisions have been for following reasons:

- i) The names of the candidates who were called for UR counseling upto the rank of 760 and belonged to OBC, SC and ST category and did not appear for UR counseling have become **ineligible** for OBC, SC and ST counseling in 1st round and for subsequent rounds of counseling.
- ii) The candidates who have opted for confirmed seats during UR counseling have also been omitted from the list of eligible candidates for category seat counseling.
- iii) In one case the candidate (Rank No.421) reported that he no longer belongs to Non Creamy Layer. Therefore, he is no longer eligible for counseling for OBC category.
- iv) One candidate (Rank No.256) has been updated in the OBC category for counseling vide Corrigendum MBBS 2014 dated 07.07.2014 at website: www.aiimsexams.org
